Dear Mr. Lederberg: -

I hope that I may have a little time for your talk before our Junior Club<sup>on May 21</sup> about a week in advance. I want to send out announcements and post notices.

Also let me know if Mrs. Lederberg will accompany you as I plan to make hotel reservations for Friday night, May 21.

As scheduled I'll expect you at the Zoology Bldg before 6 P.M. on Friday. We will have dinner at the club prior to the meeting at 7:30 or 8 P.M. in room 29 of the Zoology Bldg.

Saturday morning we hope to show you the laboratories and we have planned a lunch for Saturday noon at the club.

Cordially, Nelson T. Gladwin
